

THE BURGER 50 CRUISER

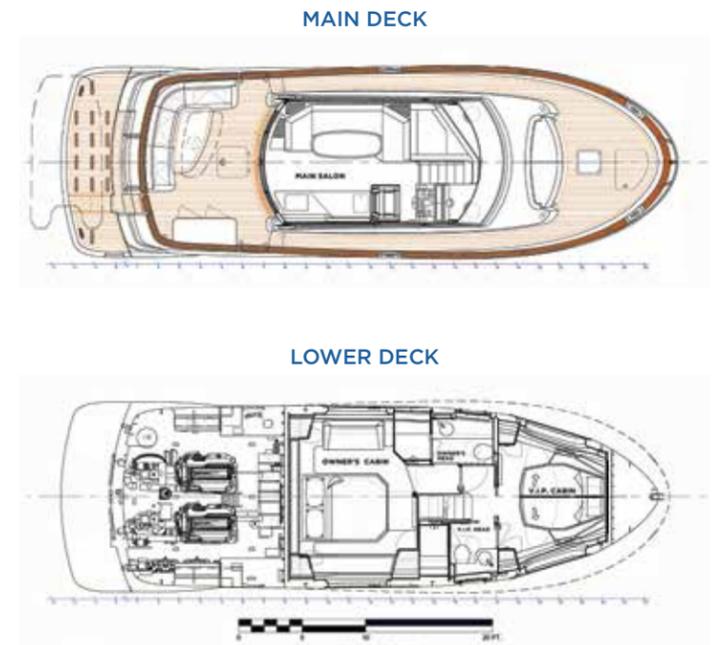

LEAD THE JOURNEY

Bring your vision to our latest Cruiser, now available for sale. Like all Burger yachts, there are no limits — only new opportunities and new horizons to explore. How far will you take her?

LUXURY AND COMFORT. UNDER YOUR COMMAND.

Continuing the success of the first two Burger Cruisers, the Burger 50 Cruiser is currently available for sale. This Cruiser features yet another stunning interior from the offices of De Basto Designs in Miami, Florida, as well as Vripack's patented Slide Hull® design.

The Slide Hull offers a smooth, efficient ride and maximizes spacious interior accommodations. Its shape helps cushion the hull onto the water's surface, keeping you and your guests comfortable while cruising sapphire seas.
