# INTRODUCING THE BURGER 122' RPH MOTOR YACHT

The Burger 122 Raised Pilot House Motor Yacht is a stately and sleek custom yacht. She stands out in any port and is up for any adventure. Work with Burger to customize her for your unique requirements — a collaboration that combines your mission with our heritage.

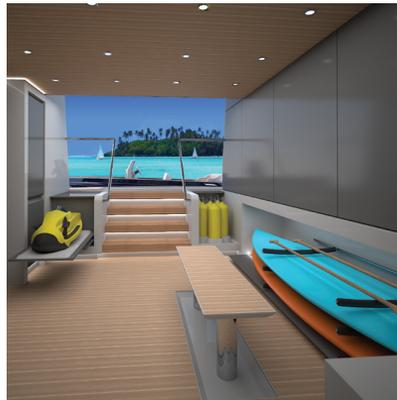

Imagine what you can build — dreams, getaways, the freedom of being at sea with no land in sight, an heirloom and a lifetime of memories crafted as a member of the Burger family.

# START YOUR JOURNEY

Designing and building a Burger is a partnership. The Burger 122's raised pilot house, stunning exterior and sophisticated spaces to entertain across three decks allow you to express as much design sense as you want. The Burger 122 has been tank tested and is ready for you to take charge and set off on the journey of a lifetime.

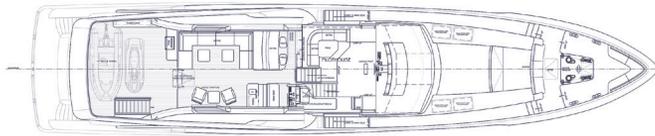

She's a stunning companion, set up to give you a first-hand view of the world as you embark on new destinations and adventures. It's a journey and we'll join you, every step of the way.

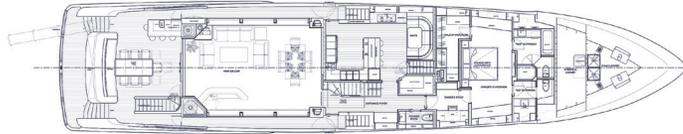

## STYLE. POWER. OPTIONS.

The Burger 122 is ready to be customized to your comfort, style and whatever luxury means for you. Collaborate with Burger's design team and this yacht will be crafted to your specifications by an experienced and meticulous team who work with you. Start here and finish with the adventure of a lifetime.
