Main Salon

The Main Salon's Sapele wood paneling is softly accented with the warmth of Satin Gold hardware providing the background for the cream and gold toned fabrics, which echo the Honey Onyx flooring in the aft entry way. The Salon

features a very luxurious 115" sofa, comfortable occasional chairs and a full bar which, at the touch of a button, raises from sitting to standing height, all for entertaining large groups.

Sky Lounge

A magnificently sculptured wood staircase takes one from the Main Salon up to the open space of the Sky Lounge/Pilothouse furnished with diamond tufted leather Chesterfield sofas, which superbly blend

with the Ebony inlaid Kaya wood paneling. The Sky Lounge is further enhanced with built-in bookcases, a desk and a lighted hand painted ceiling dome, creating relaxing atmosphere.

Owner's Stateroom

The feeling of the Main Salon and Sky Lounge continues into the Owner's Stateroom and Guest accommodations with distinctive accent colors in the bed linens and ensuite baths.

A formal dining room, family style eat-in Galley, large Laundry/Pantry, well appointed crew quarters for four, Two Alfresco dining areas, and a sun pad that opens to reveal the hot tub, all complete the amenities.
