YACHTS

Dining

Main Salon

Upon boarding *INGOT* one is immediately made aware of the exceptional atmosphere of quality surrounding them. The Main Salon and Dining Area boast illuminated white onyx ceiling panels framed in complex, elaborately detailed Mahogany woodwork accented with maple burl which continues throughout the yacht.

The eclectic mixture of traditional and contemporary design elements create an interesting contrast which is picked up in the color schemes playing light against dark, lush textures against smooth polished surfaces, and patterned materials against plain.

Owner's Stateroom

The feeling of luxury continues into the Owner's Stateroom where lush fabrics cover the bed and are inset into the wall and ceiling panels above the bed. Upon entering the bath areas one is confronted with an oval tub with a curved wall surrounding it that is

covered in an overlay of iridescent Capiz shells, which pick up the color of the veins in the marble.

The Sky Lounge has a less formal atmosphere but maintains continuity with the Main Salon and Dining through the use of similar warm neutral colors to create

Sky Lounge

an expansive area for entertaining large groups of guests. The Sky Lounge walls are accented with silk wall covering and the cabinet fronts have inserts of woven leather that blend into the Mahogany cabinetry.

The luxurious atmosphere continues into each of the four king size guest rooms with built-in sofas, custom made carpets and individualized color schemes.

Other amenities include a stainless steel Galley with custom refrigeration, an elevator that services all four levels and extensive exterior entertainment spaces for lounging and dining.

INGOT 153' Tri-Deck Motor Yacht

LOA:	152' 09" (46.56m)
