Main Dining

*Main Salon*

From the moment one boards *SYCARA IV* they are transported back in time to the elegance and luxury reminiscent of yachting in the Art Deco Era. The Main Salon features a grouping of lounge furniture arranged for conversation. As a complement to this entertainment space there is a curved, leather upholstered bar featuring custom crafted stainless steel bar stools.

The private Dining Room adjoins the Main Salon and is entered through French doors inset with Lalique crystal panels. The ebony inlaid Madrone Burl raised panel walls continue from the Main Salon to lend a sense of intimacy, perfect for formal dining. The Main Deck Owners Suite generously accommodates the king size bed which is crowned with

a lavish fully upholstered headboard set against a room expanding wall of mirror. The Lalique crystal French doors featured in the Main Salon and Dining Room are a beautiful addition to this area and add a sense of continuity to the spaces. As an additional accent to the room the desk has an inlaid leather top.

*VIP Stateroom*

The same elegance and attention to detail found on the Main Deck flows throughout the guest staterooms and ensuite baths. From the beautiful raised paneled walls, custom wool carpets and lush fabrics to the luxurious onyx showers and Lalique crystal faucet sets, *SYCARA IV* is the essence of the past brought into the 21st Century.
